

FBC-PLUS Program

For Added Peace of Mind Wherever Your FBC Takes You!

Unfortunately, those of us who boat frequently know that sometimes, unexpected incidents happen. The prop may get damaged, or the boat's gel-coat may get scratched. Sometimes the tide goes out faster than anticipated and a member is left high and dry on the sandbar, requiring a special tow. We all know "stuff" occasionally happens.

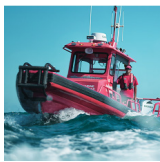

Many of our valued club members have been asking for a deductible buy-down program so we created the FBC-PLUS Program. For an annual payment of \$750 (plus tax), you'll get a number of benefits that will help bring you boating peace of mind.* And because it is reciprocal in nature, the program is in effect wherever you boat with Freedom Boat Club.

MINOR DAMAGES COVERAGE: Up to \$500 total in annual benefits for "boating equipment" paid directly to cover damage to propellers, anchors or attachments, bimini tops and/or canvas, life preservers, life rings or any other miscellaneous items used in the navigation and operation of boats owned by FBC and/or its franchisees.

MAJOR DAMAGES COVERAGE: Zero Deductible! That's right... ZERO DEDUCTIBLE for up to two occurrences in your calendar year. The total aggregated of this benefit is a maximum of \$5000, depending on the total amount of the potential two occurrences, with a maximum of up to \$2500 per occurrence.

TOWING: Up to \$1000 in annual benefits paid in reimbursement for reasonable charges associated with the towing of a boat that the member may incur due to operator error, while using an FBC vessel. This does not apply to salvage charges.

After a year, your coverage will automatically renew annually at a cost of \$750 (plus tax). If you do not wish to continue the coverage after a year, send a written notice at least 60 days before your renewal date to agreements@freedomboatclub.us.
